

EduTech

5/25/2017 7:30:00 PM

1 Hour

Education

West 101ABC Event Area

Educators at all levels will have the opportunity to see and use the latest tech learning tools. Technology groups will demonstrate their newest gear and software available for teaching, learning, access, and situational awareness. This opportunity is also open to any groups or organizations involved in teaching and learning. A short introduction on teaching in a tech-less classroom will start this event, followed by hands-on engagement with each tech group.

Organization	Name	Email
American Institute of Aeronautics and Astronautics (AIAA)	Elishka Jepson	robryiker@aol.com
Arizona Museum of Natural History	Amber Shepard	Amber.Shepard@mesaaz.gov
