

Sketchy Facts: Science in Webcomics

5/27/2017 7:30:00 PM

1 Hour          Science                  North 132A

Like XKCD and Saturday Morning Breakfast Cereal? Scientists do too and discuss the science behind their favorite webcomic strips.

Teachers will learn about some scientists favorite webcomics and how they can use webcomics to engage students in STEM topics.

Kristina Davis, Graduate Student, Astronomy and Engineering, Arizona State University

Jessica Rothwell, Graduate Student, Bioarchaeology, Arizona State University

Andy Ryan, Graduate Student, Planetary Sciences/Geology, Arizona State University

Karen Knierman, Graduate Degree, Astronomy, Physics, School of Earth and Space Exploration, Arizona State University
