

Young Science: The Next Generation of Thinkers

5/27/2017 1:30:00 PM

1 Hour Science North 131C

Watch the next generation of scientists start their journey as the top winners of the Phoenix Comicon award at Southern Arizona Research, Science and Engineering Fair and Arizona Science and Engineering Fair compete for the Grand Prize Award. They will each present their projects and take questions from the audience and judges.

Teacher will experience a STEM competition.
